BUILDING A LEGACY OF  
IMPACT WITH SANAD

**Sanad**  
TRUST FOUNDATION  
Have Adab. Share Knowledge. Show Love.

“Every single one of us  
should be mindful of what  
we leave behind.”

**-Habib Umar bin Hafiz**

## Our Vision

To have adab (good character),  
share knowledge, and show  
love in order to strengthen youth,  
families, and communities around  
the world.

## Our Mission

Our mission is to provide education,  
wellness, and community programs  
that preserve the innate good and  
serve the well-being of children,  
families, and elders.

# Our Story

# A HOLISTIC APPROACH

Sanad Trust Foundation began with sincere concern in the heart of a father and the dream of a mother for their child's future and the world he would inherit. Like a seed in the soil, a child's emotional, intellectual, and spiritual outcome is nourished by their learning environment. This holistic view places the child at the center, with peers, parents, and the community around it.

All of Sanad Trust Foundation's programs and services are inspired by this comprehensive approach to building up and strengthening children, adults, and elders. Every program and service is intended to complement the other. This perspective is significant and what guides Sanad Trust. We have served hundreds of students, children, and families by providing thousands of hours of unique programs and services.

# Our Need

For the past 14 years, Sanad Trust Foundation has patiently, responsibly, and independently strived to build a model of education and institution-building upon the highest standards, which reflects the Light of Allah and the Love of His Beloved Messenger (peace be upon him). We have doubled the number of children, families, and community members we serve as well as the square footage of our leased locations every 3 years! Now, a primary goal of our 'next-ten years' agenda is moving into our forever home: A location that would be a hallmark for our community and a flagship destination. It will set the precedent for a national network of education, wellness, and community spaces for Muslims in North America.

# Our Plan

A FACILITY TO EXPAND IMPACT

This facility will be home to Sanad Prep Education — our one-of-a-kind K-12 center, Sanad Wellness — our physical and emotional well-being services, and Sanad Community — a place for our elders and their loved ones to gather.

# Location & Space **Needs**

The ideal range is Miramar, Davie, or Pembroke Pines with as far west as Hwy 27 and as far North as Southwest Ranches, Florida. This would ensure easy accessibility to tri-county area (Miami Dade, Broward and Palm Beach County).

# Facility Planning

To accommodate existing and anticipated growth, we will need a minimum of 10,000 square feet of space and prefer to buy a building structure/warehouse flex space with parking space (40-50 spaces).

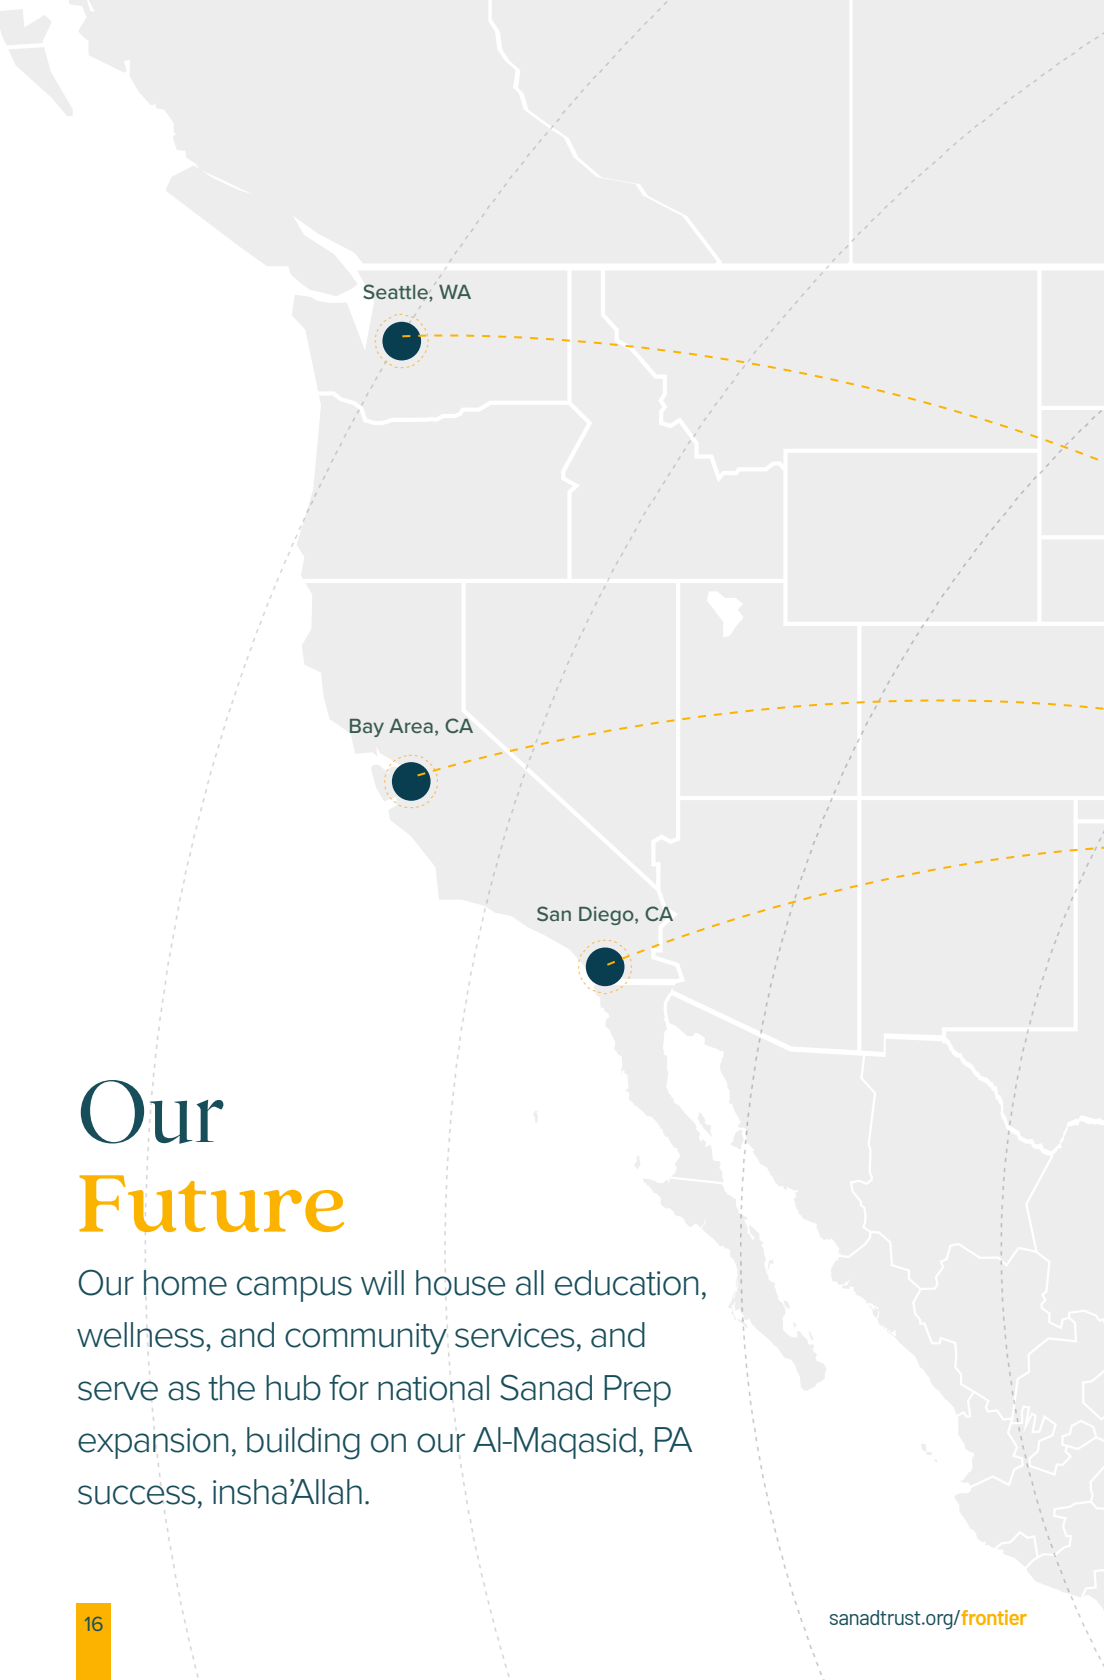

# Expanding Horizons

For over a decade, Sanad Trust Foundation has been dedicated to providing transformative experiences and achieving exceptional outcomes with fiscal responsibility and unwavering commitment. We've touched the lives of several hundred students, families, and elders through our education, wellness, and community programs. Now, we're poised to embark on the next chapter of our journey, extending our reach to serve thousands for generations to come. This is not a request to simply sustain our current operations; we have achieved the goals we set for this phase. We invite you to join us as we leap into the future of Sanad, building upon our successes and expanding our impact exponentially.

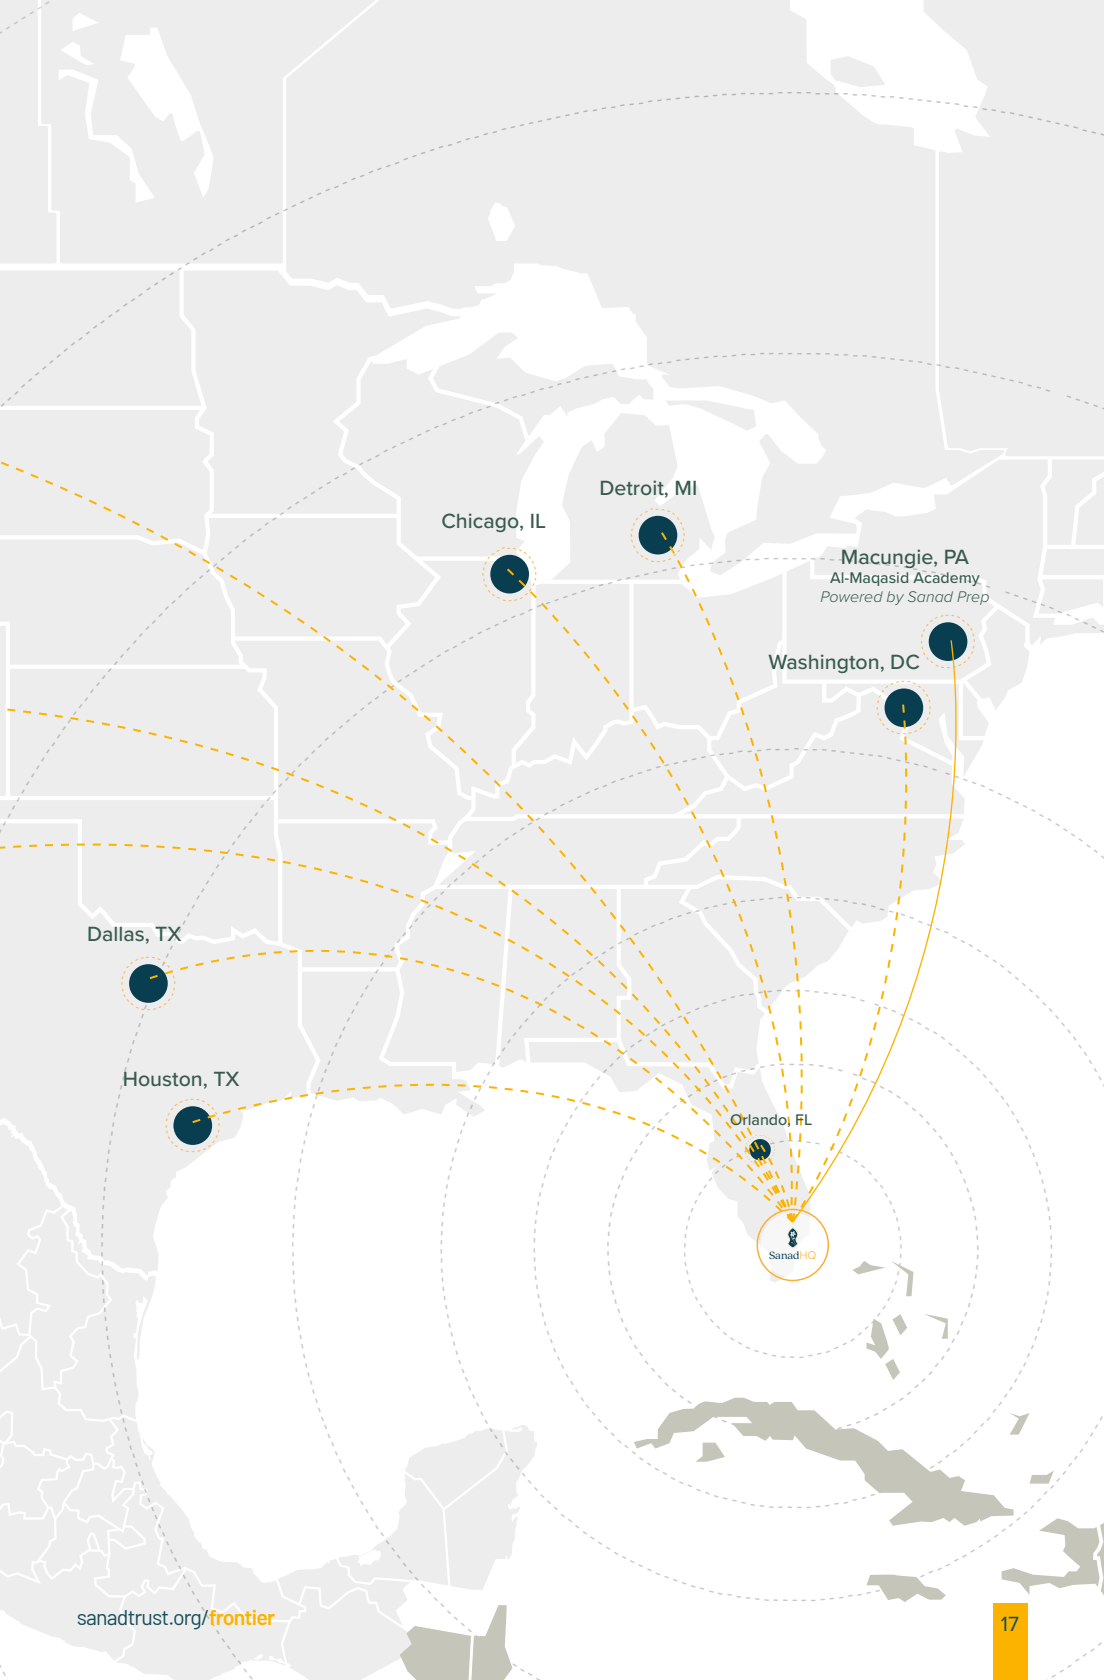

# Our Future

Our home campus will house all education, wellness, and community services, and serve as the hub for national Sanad Prep expansion, building on our Al-Maqasid, PA success, insha'Allah.

## A Thriving Ecosystem of Learning

Imagine a connected network of Sanad Prep pods flourishing across the nation, each a vibrant learning community where 75-100 students thrive. Our pioneering pod model, exemplified by the successful three-year-old Al-Maqasid Academy in Macungie, PA, provides a blueprint for the future of Islamic education. With your investment, we can establish many more Sanad Prep pods and learning centers, cultivating a nationwide ecosystem of learning and growth rooted in Islamic values and academic excellence.

## A Testament to Our Commitment

Our commitment to a soul-centered learning environment is deeply rooted in Islamic tradition and has garnered the support of renowned scholars such as Mufti Hussain Kamani, Imam Tahir Anwar, Sh. Amin Muhammad, Sh. AbdulKarim Yahya, and Sh. Yahya Rhodus. Their validation underscores the authenticity and effectiveness of our approach. Furthermore, we are honored to have the esteemed patronage of Habib Umar bin Hafiz, a testament to our dedication to nurturing the spiritual and intellectual development of our students.

## Investing in Our Shared Future

Your generous investment will serve as a catalyst for immediate and long-term growth, impacting every facet of our community. In the immediate future, a significant capital investment will enable us to:

- ▶ **Double our enrollment:** Reaching full capacity within three years of acquiring a dedicated property, providing more Muslim families with the exceptional education they seek for their children.
- ▶ **Expand our community services:** Doubling our resources for counseling (Naseeha Sessions), supporting individuals and families through life's challenges. We'll also broaden programs like the Neighborhood Halaqa, fostering spiritual connection, and Body & Soul fitness initiatives, promoting physical and mental wellbeing for men, women, and elders.
- ▶ **Establish a dedicated community hub:** Creating a welcoming space for our senior care initiative (Sanad Guardians), ensuring our elders remain connected and engaged. This hub will also feature a vibrant coffee shop, bookstore, and co-working space, serving as a gathering place for young professionals, families, and new Muslims, fostering a sense of belonging and shared purpose.

Owning a facility will not only provide a home for these vital services but also empower our Foundation team to effectively manage, consult, and expand the Sanad network of pods locally and nationally. This investment is an investment in the future of our entire community, ensuring that Muslims of all ages, backgrounds, and walks of life have access to resources and opportunities that empower them to thrive spiritually, intellectually, and socially insha'Alah.

# Our Future

## ESTIMATED PROJECT BUDGET

In order to meet the needs of our children and their families as well as give the community the best resources, we are exploring raising \$4.75-5 million in philanthropic support to purchase a facility, renovate it, and fill the gap in the current communal needs.

# Our Impact

THE IMPACT  
ON OUR  
COMMUNITY  
& NEXT  
STEPS

The new Sanad facility will revolutionize how we serve the South Florida Muslim community and establish a national model for inclusive, impactful Islamic centers. This strategically located center will immediately expand our acclaimed K-12 program, increasing educational opportunities for hundreds of students while fostering their social, emotional, and spiritual growth, all within an Islamic environment.

Beyond education, this new home empowers us to transform lives across generations. We'll double our Sanad Prep enrollment, welcome triple the attendees at community events, and significantly enhance our wellness and counseling services. Importantly, we will finally create a permanent haven for our beloved elders through the Guardian program, ensuring they receive the honor and care they deserve, as commanded in our deen.

Imagine a vibrant hub where Muslim students, professionals, and organizations connect, collaborate, and thrive. Picture conference rooms buzzing with ideas that further our community's goals, a welcoming coffee shop fostering brotherhood and sisterhood, and a co-working space igniting innovation within an Islamic framework. This is the future we're building, and your generous support, as sadaqah jariyah, will make it a reality.
